The declaration must conform to the following standardized wording provided for in Section 214: see Notes to Boxes Nos. VII, VIII (i) to (iv) (in general) and the specific Notes in Box No. VIII (iv). If this Box is not used, this sheet should not be included in the request.

Declaration of Inventorship (Rules 4.17(iv) and 51bis.1(a)(iv))
for the purposes of the designation of the United States of America

I hereby declare that I believe I am the original, first and sole (if only one inventor is listed below) or joint (if more than one inventor is listed below) inventor of the subject matter which is claimed and for which a patent is sought.

This declaration is directed to the international application of which it forms a part (if filing declaration with application).

This declaration is directed to international application No. PCT/..... (if furnishing declaration pursuant to Rule 26ter).

I hereby declare that my residence, mailing address, and citizenship are as stated next to my name.

I hereby state that I have reviewed and understand the contents of the above-identified international application, including the claims of said application. I have identified in the request of said application, in compliance with PCT Rule 4.10, any claim to foreign priority, and I have identified below, under the heading "Prior Applications," by application number, country or Member of the World Trade Organization, day, month and year of filing, any application for a patent or inventor's certificate filed in a country other than the United States of America, including any PCT International application designating at least one country other than the United States of America, having a filing date before that of the application on which foreign priority is claimed.

Prior Applications: 60/423,231, filed 08 November 2002.....

I hereby acknowledge the duty to disclose information that is known by me to be material to patentability as defined by 37 C.F.R. § 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the PCT international filing date of the continuation-in-part application.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

**STATEMENT ESTABLISHING SMALL ENTITY STATUS
SMALL BUSINESS CONCERN**

I, Kenneth E. DeLine, as Manager of Venture Management Alliance LLC, pursuant to 37 C.F.R. §1.27(c) state that the following facts are true:

Venture Management Alliance LLC is the assignee of record under 37 C.F.R. §3.71 of the entire interest in the above-identified application.

As Manager, of Venture Management Alliance LLC, I am empowered to act on behalf of the Assignee.

As set forth in 13 C.F.R. §121.12, Venture Management Alliance LLC is an entity whose number of employees, including those of its affiliates, does not exceed 500 persons and which has not assigned, granted, conveyed, or licensed, and is under no obligation under contract or law to assign, grant, convey, or license, any rights in the subject matter of the enclosed patent application to another entity that does not qualify for small entity status. Venture Management Alliance LLC appears to qualify as a small business concern as defined in 37 C.F.R. §1.9(d).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements so made are punishable by fine or imprisonment, or both under 18 U.S.C. §1001 and that such willful false statements may jeopardize the validity of the patent application or any patent issued thereon.

DECLARATION FOR PATENT APPLICATION

Declaration of John E. Walls, Jeffrey W. Putt, and Kenneth E. DeLine.

I, John E. Walls, hereby declare:

I am a citizen of the United States of America and that my residence and mailing address is 2450 Airport Road, Apt. I-283, Longmont, Colorado, 80503 USA.

I, Jeffrey W. Putt, hereby declare:

I am a citizen of the United States of America and that my residence and mailing address is 4125 Suncrest Drive, Fort Collins, Colorado 80525 USA.

I, Kenneth E. DeLine, hereby declare:

I am a citizen of the United States of America and that my residence and mailing address is 76 Golden Rod, P.O. Box 5920, Avon, Colorado 81620 USA.

Each of the above-identified inventors declares:

I believe that I am the original and first inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled "Aqueous Activated Components Conveyed In A Non-Aqueous Carrier System" the specification and the preliminary amendment of which are attached hereto.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment specifically referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 C.F.R. §1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

I hereby claim the benefit of priority under 35 U.S.C. §120 of any application for patent filed in the United States, or under 35 U.S.C. §363 and §365(c) of any international application designating the United States of America, listed below:

- International Patent Cooperation Treaty Application No. PCT/US03/35057, filed November 11, 2005; and
- United States Provisional Patent Application No. 60/423,231, filed November 2, 2002.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
